Note:

- The raw scores and percentages reported in this table apply ONLY to the Spring 2017 paper administration (English) STAAR assessments - main administration. This table reports the **Scale Score Cutpoint**, the **Raw Score** and the applicable **%age Correct** for each "successful" Performance Category (**Approaches Grade Level**, **Meets Grade Level** and **Masters Grade Level**) defined in the newly adopted Commissioner Rule 19 TAC §101.3041. The raw score cut points may differ across test administrations (i.e., 2016 STAAR vs. 2017 STAAR). The raw score cut points reported in this table are useful in serving as approximations or reasonable estimates of the raw cut points for applicable scale score phase-in performance standards in future years (i.e., Spring 2018 or Spring 2019).
- The Level II-Phase 1 standards are only applicable to EOCs for students who took an EOC prior to the 2015-16 school year.
