

2021-22  
leading learning series: staar4ward  
learning video calendar

- JUNE 15** 9:00 am & 2:00 pm  
**Welcome** – How do we make the most of our learning together? Think about how to prioritize learning time, organize resources, and inspire your team to lead learning in 2021-22. (●) live
- JULY 22** 9:00 am & 2:00 pm  
**Intervention** – Where do we start? This school year will provide opportunities for us to address the learning disruptions of 2020-21. Let's take time to understand the TEKS across content areas to find our starting points. (●) live
- posted JULY 22** **Finding our focus for 2021-22:** Words matter. Let's get started by developing our leadership language and set the stage for an optimistic year. Inspire teachers to meet the academic needs of our students while also preparing for the next generation of STAAR. We can do this! **SPECIAL GUEST: sophia acevedo** ▶ recorded
- posted AUG 12** **Think it up! for intervention:** The process standards are more important this year than ever before. Learn how to use the lead4ward think along plan to help students practice thinking throughout the year. **SPECIAL GUEST: brad gibson** ▶ recorded
- posted SEPT 8** **Engage the social network of learners:** Explore using the lead4ward strategies to create movement and discourse, rehearse and practice, learn for mistakes, extend thinking, and check for understanding. Put the kids in charge of their learning! **SPECIAL GUEST: shelby ellis** ▶ recorded
- posted OCT 7** **Next generation STAAR – math edition:** Think with us about how the next generation of STAAR will impact the math classroom. Let's support teachers in transforming instruction to meet the rigor of the new assessment. **SPECIAL GUEST: nancy crouch** ▶ recorded
- posted OCT 21** **Next generation STAAR – literacy edition:** Think with us about how the next generation of STAAR will impact the reading and writing classroom. Let's support teachers in transforming instruction to meet the rigor of the new assessment. **SPECIAL GUEST: gayla wiggins** ▶ recorded
