

tuesday and thursday: content learning labs

We will provide opportunities each Tuesday and Thursday for students to access content support for their assignments. The goal is to provide students with opportunities to:

- Get help with assignments
- Connect with teachers
- Set up time for one-on-one help if they want

Principals/Leadership Teams

- Review the master schedule
- Post links to join the content learning lab video conference on the website
- Support teachers who may be new to the technology

Teachers

Login to the video conference

- Welcome students
- o Provide time for students to connect with each other

• Review assignments

- o Provide direct instruction (if the content for the week is new learning)
- o Ask for their questions about assignments
- o Provide any support they may need
- o Schedule one-on-one time for students who need additional support
