

wednesday: plc planning

Wednesdays are the days for teachers to collaborate on next week's assignments.

Principals/Leadership Teams

- Teacher leaders schedule meeting time and email link to join
- Review [scope and sequence](#)

Teachers

- **Check in**
 - How are things going?
 - What support do you need?

- **Plan the learning experiences for next week**
 - Review the focus for the week
 - Vet resources to support the content
 - Try to find resources that do not tie the student to the computer/phone.
 - Maximize resources where students can post their work on a common google doc/sheet/slide.
 - Build a slide with a video to explain next week's expectations for your content area.
 - Determine how to deliver direct instruction if the content is new (video, content learning labs, online resource, etc.).
 - Make sure experiences are:
 - Focused
 - Fun
 - Family Friendly
 - Consider ways students can post their work in a collaborative environment.

- **Build a slide deck/hyperdoc to use on Monday student meet-ups ([elementary](#) | [secondary](#))**
 - Determine if any support is needed
