

friday: family meet-ups

Each Friday, we want to connect with all of our students and their parents. The goal is two-fold:

- Provide guidance to families
- Provide an overview of the learning plan for the week

Principals/Leadership Teams

- Address students without technology access

Teachers

- **Send reminder email about meet-up times**
 - Note that those who cannot make their group time may join at any time
 - Provide directions for joining by video conference or phone
- **Check in**
 - Celebrate student work
- **Reflect on how things are going so far**
 - Pacing and accountability
 - Technology issues
- **Review support structures**
 - Content learning labs
 - One-on-one support (video conference, phone, email)
